- JUNE 1994 NEWSLETTER -

## PRIMARY CONCERN

**A** long overdue hello from your Association Executive. After such a hectic winter schedule of meeting and correspondence focusing around our primary concern, the development prospects on our lake, we are all looking forward to some time to relax and enjoy the summer.

**M**any thanks to those members who have been able to respond to our fundraising campaign to date. As mentioned in the attached newsletter from the Development Committee, funds are still necessary. If you are now in a position to contribute, please send your donation to Paul Thomson (address below).  
*Please indicate if you prefer your donation to be kept in confidence.*

## MEMBERSHIP DUES

**W**e are now collecting membership dues for 1994. Remember, donations of \$150 or more to the Development Fund include your \$20 1994 membership fee. If you have submitted a donation that qualifies you for a free membership, your card will be sent to you. Individuals wishing to submit membership dues only are requested to fill in the renewal form below and either mail it to Paul Thomson or place it in the Conservation Association mail box in Bennett's store. (Cheques only please)

## LAKE STEWARDS REPORT

**W**ith regrets we have to report that our request for funding to hire a Lake Steward again for this summer was denied. The Ministry sighted a lack of funding for this decision. A comprehensive report of last years findings is available upon

request from Wayne Lennox. There will be some copies for viewing at the Annual Meeting this summer.

## IN MEMORIUM

**W**e would like to extend our sympathy to the families of *Bob Speicher* and *Miriam Hervey*. Both individuals were long time cottagers at the lake and members of the Association.
